Testimonials

From Our Gender-Specific RTC Clients

"My overall experience has been eye-opening and incredibly positive. I am grateful for such a life-changing experience. I will remember that I am forgivable and cherish my newfound friendships." – Women's residential treatment client

"The brotherhood at the men's house between clients was incredible. The staff helped me complete my goal safely and efficiently." – Men's residential treatment client

"My time here was amazing and the thing that I will never forget is the connection and authenticity that I felt here." – Women's residential treatment client

"I really enjoyed my time here. My best experience was my time with my fellow brothers." – Men's residential treatment client

"I'm so grateful I found Wasatch Crest and that I came here for treatment. I will remember the tools I've acquired, the sober sisters and support I've met, and the various outings." – Women's residential treatment client

"I'm a better person than I was when I entered treatment. I contribute the aforementioned to the exceptional kindness and support from staff and fellow clients. I will remember the bonds which were developed over my stay at Wasatch Crest. This place helped change my life for the better; for sure a pivotal turning point which I won't forget." – Men's residential treatment client
